**MEMORANDUM FOR: Comptroller, DPD**

**SUBJECT: Provision for Bruning Paper**

1. Detachment 28, 4th Weather Group located in FOB #4, Suitland, Maryland, is providing CHALICE operations with analysis of sea level and 500 millibar surfaces for both 00Z and 12Z for complete Northern Hemisphere.

2. These charts are being delivered to  a weather briefing officer of CHALICE operations.

3. The Commander of Detachment 28 has asked that the Bruning paper used in the charts be provided to him, as it cannot be programmed by his organization without explanation.

4. The charts being delivered by Detachment 28 are valuable to this organization, and it is desirable to continue this service.

5. Request that \$36.40 be provided to purchase the eight (8) rolls of Bruning paper necessary for the next fiscal year's operation.
